contact the East Elgin Community Complex  
during Administration Office - Business Hours.*

*Methods of payment accepted: cash, cheque,  
debit, VISA, MasterCard, American Express*

## A Successful First Year of Operations

After a very well attended Grand Opening on June 11, 2004, the Complex has continued to attract a wide array of people from both in and outside of the community. Opportunities to host events that are rarely held outside of urban settings, like the Ontario Volunteer Service Awards, have given the entire community a chance to shine. Ice events, like the 2005 Lloyd Ogilvie Memorial Synchronized Skating Competition, and numerous hockey tournaments, have brought teams from all over the country, and even the US. Since opening, over 8,000 people have participated in Complex

programming like public skating, not to mention everyone who came out to Canada Day events, and the extremely popular Family New Year's Eve Party. The Imperial Hall has been in constant use this past year, for weddings and receptions, corporate Christmas functions, BX93 video dance parties and auction sales. In the past year over 54,000 people have come and gone from these events. The next year is shaping up to continue the success of the past.

**Marg Smith**  
Admissions Attendant

Meet One of Our Staff:

*Marg Smith, Admissions Attendant*

*Celebrated 35 Years of Employment in 2004!*

Many who come to the new Complex for Public Skating will notice a familiar face: Marg Smith. Her story with us began when she lived across from the old arena – actually, she remembers when there was just a big, red barn at the site, and kittens used to follow her home. She started working in the arena around the age of fifteen, when she helped the Christies sell tickets to see the Trojans play. After that, she worked in the canteen, until someone was needed to collect Public Skating fees. She's been doing that ever since.

When she's not at the Complex (and even while she is), Marg enjoys knitting and crocheting. She also enjoys traveling. She and her husband John pack up their camper van, and their dog, and head out to sites like Alaska and New Orleans. She's also been to England to visit a long-time pen pal, and her most recent trip was to Spain in April. Between them, she and John have 9 children, 20 grandchildren and 1 great grand-son, who enjoys coming out to the Complex for Public Skating.

Buy 10 Coca Cola products at KUMA at the Complex between September 1, 2005 & September 30, 2005 and get a chance to win an autographed Mats Sundin Toronto Maple Leafs jersey

**NEW THIS YEAR!!  
Public Skating Pass**

**Reality is a Dream Come True**

Since our last newsletter, the East Elgin Community Complex is open and well underway to being the focal point of community activity. Throughout the first year of operations, we have seen an extraordinary amount of life within the walls of this building. From "drive-in movies" to weddings and trade shows, there is always a buzz of excitement at 531 Talbot Street West.

The Campaign volunteers have really been a catalyst of this project surpassing the goal of \$2.5 million. We are honoured by the contributions we have received from the community helping us reach \$2.96 million in donations. This is something we can all be proud of.
